CANDIDS

CANDIDS

Reading desk graffiti.

Now for a do-it-yourself lobotomy.

What Playboy?

The new fad; Nose jewelry.

But Why?

That was the punchline. Get it?

My home work? Ah . . . it's like this . . .

If I close my eyes, I know he'll go away.

Another boring day of Biology.

Gotta straw?

Ah, do you think you could spell that one?

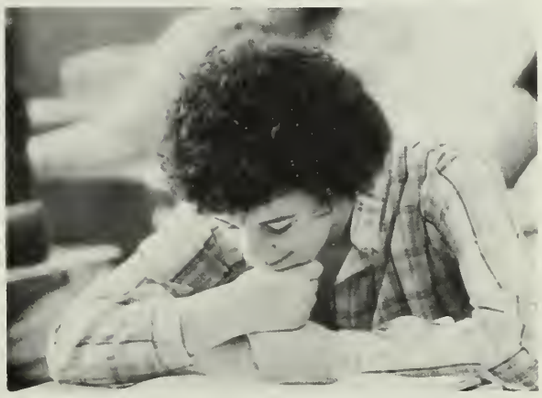
Yeah? You wanta knuckle sandwich?

And what are you looking at?

See if this really weighs a gram!

Yeah? Well do you wanna do something about it?

If he makes me do this one more time!



Boy! What a daydream.

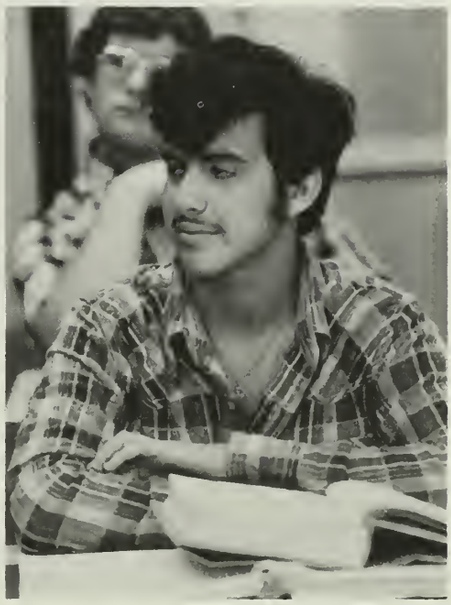
Double, triple . . . promoted?

A cheat sheet? In my hand?

That's $1,800 of dental work you're looking at.

Then I accidently glued my knee to my cheek

This is my "sexy" look.



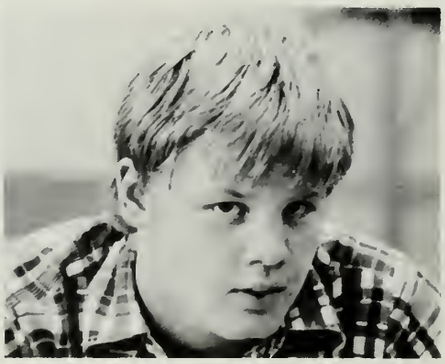
Hey baby, wanna get lucky?

Oh does this guy make me mad!

That's a sad situation.

What? Run that one by me again.

Are you for real.



Please don't spit in my eyes.

Can someone get this pen out of my finger?

And then. I'll make you an offer you can't refuse.

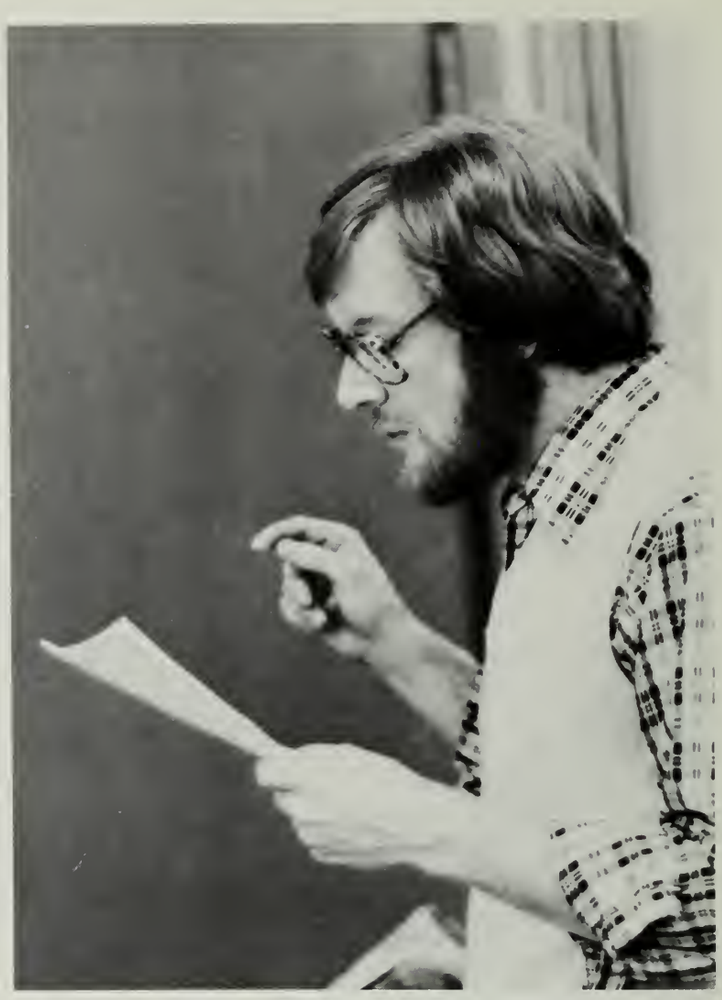
No disco allowed here!

I'm starving. When is lunch?

Boy, could I go for a bite of that candy bar.

I think it needs a little eye of newt.

Heeere's Johnny!



From the top. And a one . . . and a two . . .

How come these don't match up?

This is quicker than Pearle Vision.

Let me try sharpening it with my eye first.

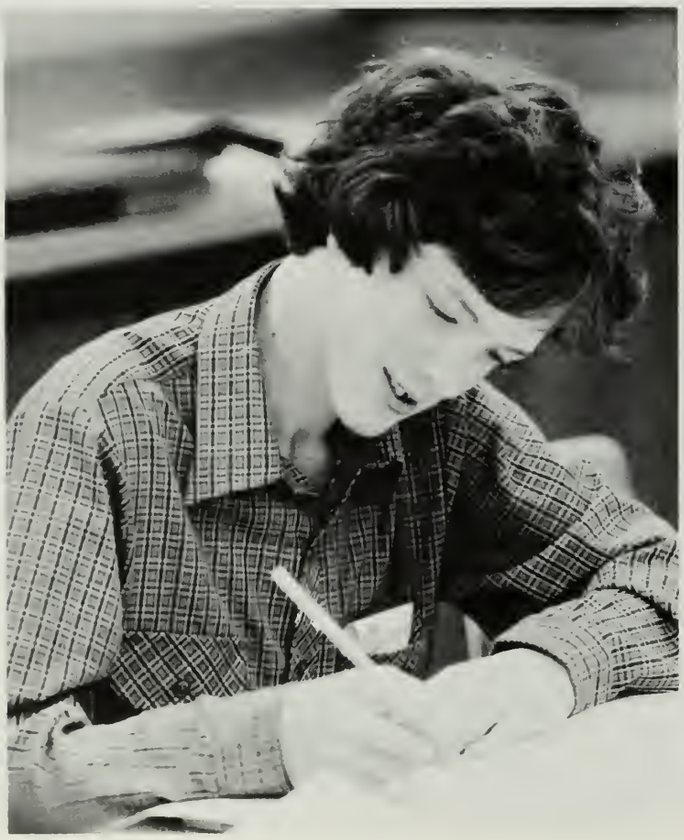
So, you wanna hea hear a ruder joke?

Who thinks up these questions anyway?

Ya! You in the front, I'm talking to you!

Bet I can break this with my bare hands!

Come on! Finish the story.



Hah, this test will be easy now!

The closer you get . . .

Does she really think I'm cute?

These bleachers aren't exactly posturepedic.

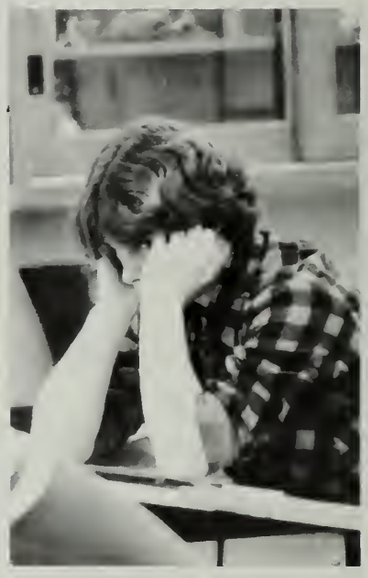
Yeah, I had a great class, how about you?

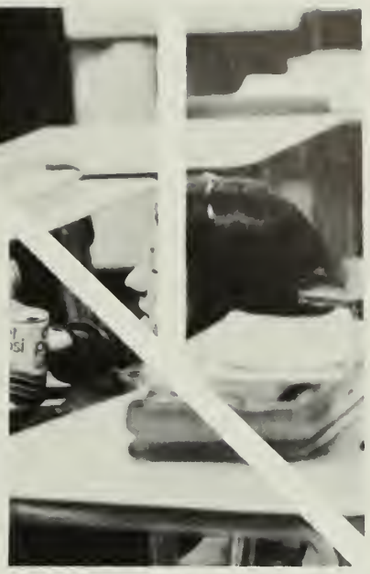
Can you type larger so I can see it?

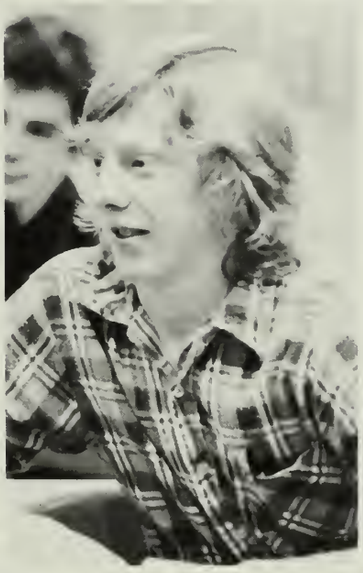
He said what?!!

You're joking! You want to sell me a Ford?

Step into my office.







Blinded BY THE

You don't really expect me to believe that do you?

The Disco Kid!

Alright, I'm waiting. Explain yourself.

Tell me she ain't nice!

Wanna run that past me just one more time?

I'll get that fly this time!

Math gives me a headache.

This is my sophistocated look.

It wasn't my idea.

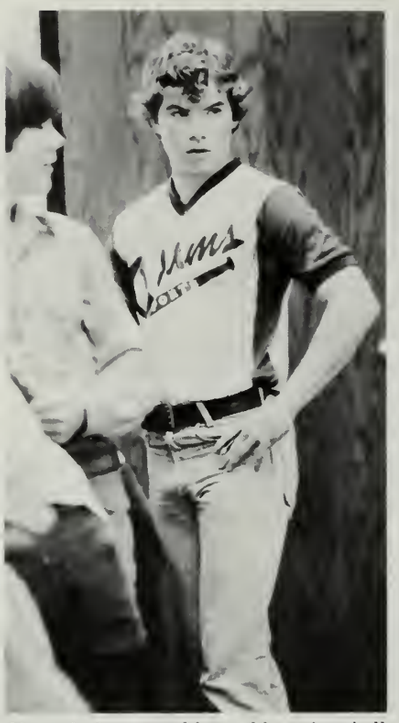
That's an interesting answer.

Move that paper a little closer . . . Huh.

The last time I heard that joke, I fell off my dinosaur.

You've got to be kidding.

No I didn't stick my finger in a light socket.



Oh yeah, how would you like a baseball up your nose.

No! Not without my make up!

Whaaaat? Those are the wrong answers?

If he would only look this way.

Dear Abby,

No! She's not my mommy!

They're my nails, I'll bite 'em if I want.

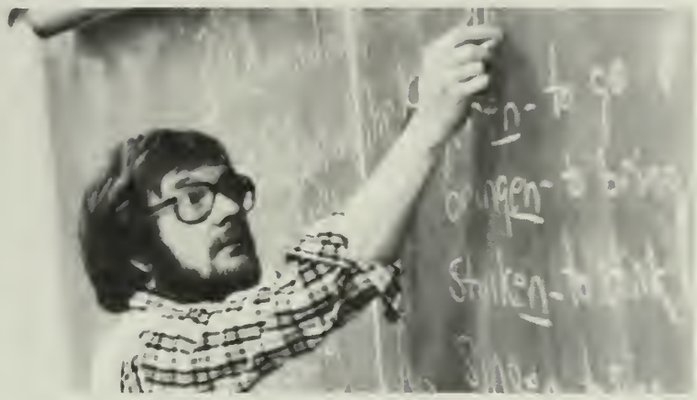
Just wait till football. Then pow!

These Bic Bananas aren't as good as they say.

Last time I sewed my fingers together.

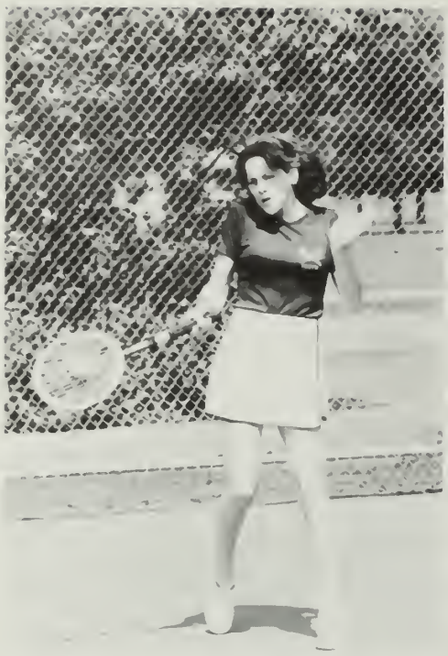
Escape via sleepwalking.

Don't gyp me this time.



This ought to baffle them totally.

Now, that kid is tall!



Is this how I do it?

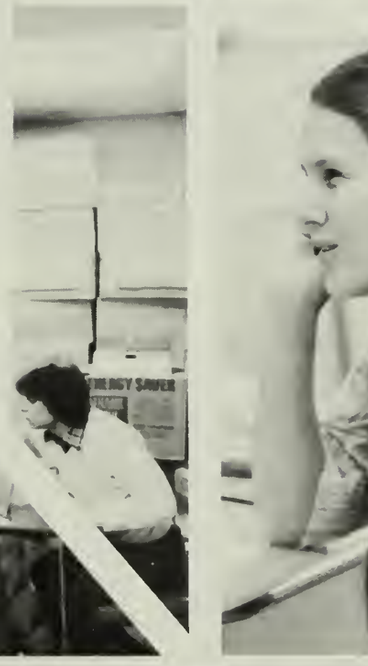
This is my magnum .44 crutch you don't believe its loaded? Watch!

I don't remember talking about that!

Casey at Bat.

I wonder what this is used for?

You know, the finger is a pretty useful gadget.



Oops!!

Another thrilling class.

Sorry, I have a headache.

How do you like my family? That's right. They're all mine.

Chapter 8? I studied Chapter 7!

Yes, I glued it there. Do you like it?

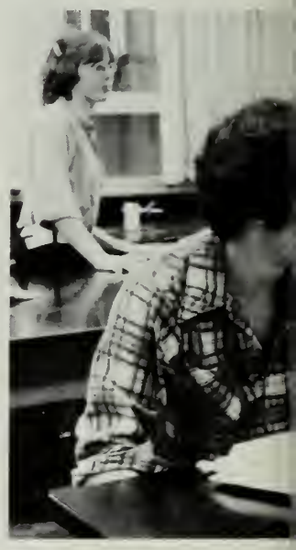
Sleepin' on the job.

Hmm! Maybe if I give her the wrong answer this time, she won't come back

Wheeew!

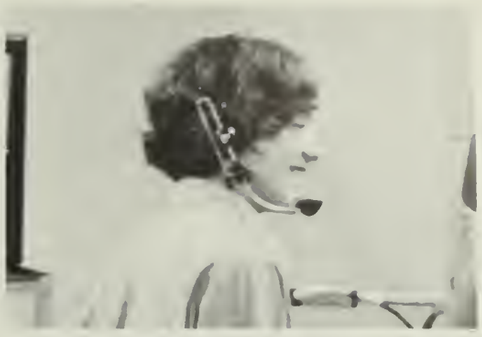
Ha Ha! You should see what is stuck on your back.

Okay, Okay – I'll put you in my "little black book" too!



Hmmm, how come it worked in the book?

I don't care. I'm not moving!



Major Tom to ground control.

Don't take my picture, you . . .

Classroom violence.

Wow! I've never seen anyone bend like that before!

Beat it! These are our toys!

Teething in high school?

How do I figure this one out?

Is she staring at me?

I wonder if she will believe this one.

I'm number one, and don't forget it!

Funny bone action.

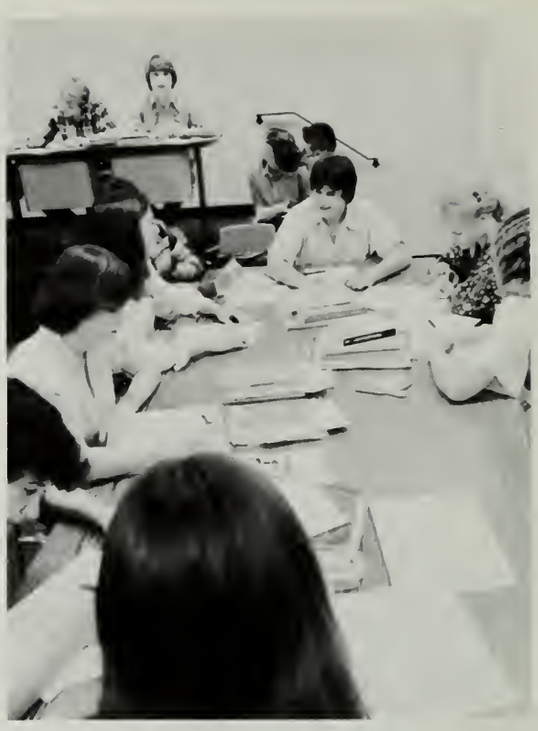
I should ace this one.

You're sure this won't kill me?

Watch me jump this car . . .

Who stole the cake?

Honest! My dog ate me homework!



Political Conference, W.S.H.S.

There is no way I'm going to open that book.

Man, that's one foxy chick.

Hey! Everyone else is skipping, so why can't I?

College material; hard at work.

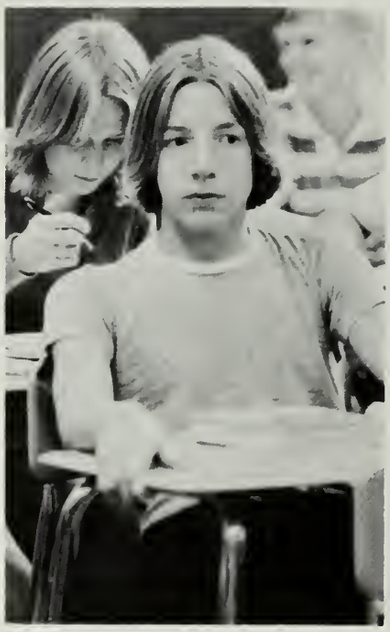
I already have the answers to these.

Smoking pens is not permitted in school

Eeek! A mouse!

Hey! Don't take our pic . . .

Last ditch effort to finish their homework.



With a little practice – I'll reach my nose.

How would you like a sweatsock on that lense?

Don't try it pal!

Hey it works better than Q-Tips.

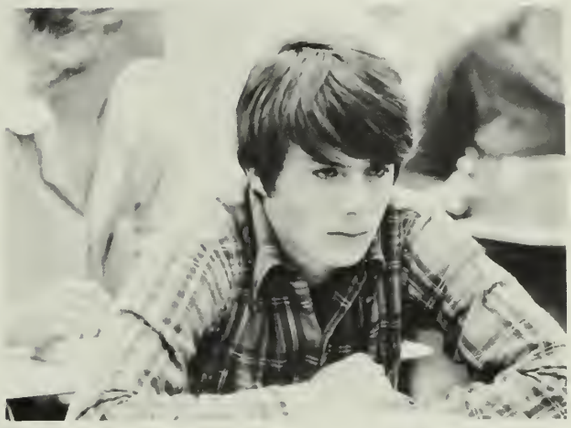
I wonder if she's got a personality to match.

Hey pal, don't look at me that way!

I have athletes face.

I've only got one piece and I'm going to eat it.

I'm mad at everybody today.



Hold it buddy, none of this "pop-quiz" stuff.

Sure. I'm "sure."

How do I love thee, let me count . . .

If I don't look, it won't hurt.

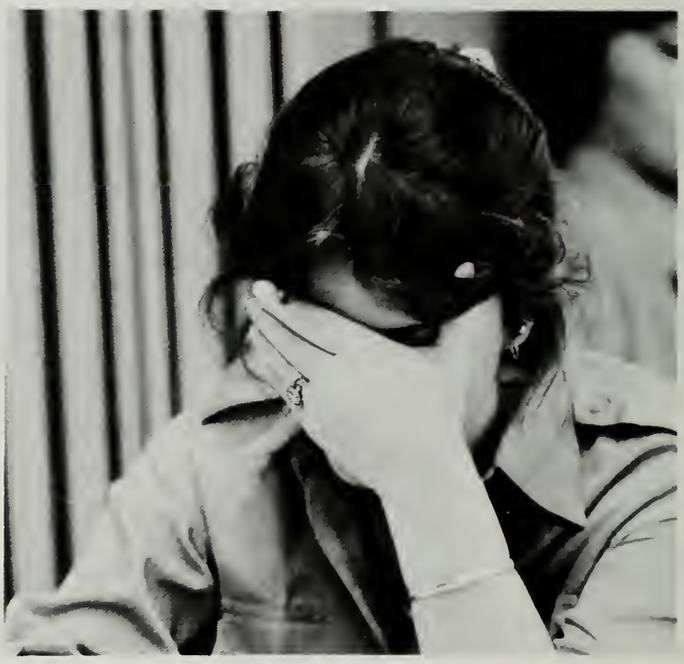
Take one from every pile.

I hope that I don't sew my finger this time.

Maybe I'll get the answer if I try meditation.

Is this the basement?

Either this tape is wrong or I messed up the project.



This isn't happening to me.

Got a spare neck brace.

I hope they dry before the test.
